# President's Report

**Duncan Stirling**

I am proud to submit this report of the activities of the Sorrento Surf Lifesaving Club for season 2007/08.

Again the dedication and support of the committee has seen the club prosper in the past year. With several people covering two or more positions on the committee it sends a clear message we need a few more members to become actively involved in the running of the club.

Our Junior Development program, Nippers, was presented by a new committee of Howard Draper, Andy Nettlefold, Vicki Stirling, and Kris McGhee. The Nippers program is probably the most difficult task to organize and coordinate within the club and the new committee did it to perfection. I know how much time and effort they put in to ensuring a smooth transition from the previous committee.

The Club Captains Meggan Croad and Jacent Gill along with patrol captains Howard Draper/Bruce Grayling, Bryce Patterson and myself co-ordinated a successful patrol season that saw the club finish in 8<sup>th</sup> position in the Life Saving Victoria patrol competition. The Chief Instructor Stefan Bagg and Lead Examiner Marc Clavin should also take credit for this outstanding result, for their thorough training and assessing our patrol members.

I would like to congratulate Shelley and Bryce Patterson in obtaining their Gold Medallion in Lifesaving. They are role models to our younger members.

This season saw the club be asked to respond to several out of hours search and rescues. As a result the club will be setting up a roster of interested members to be called upon when these incidents arise in the future.

The Bay Swim was again a great success with record numbers competing. Thanks to George Patterson, Jim Sheedy and Swim Committee for their continued enthusiasm to the clubs major fund raiser. Our major source of fundraising remains the Bay swim. We tested the water with a tin rattle in the Sorrento main street last Aust Day with great success. We will do this on a

larger scale this summer, and with our members support should be able to raise substantial funds.

The clubs Finances are in great shape thanks to our treasurer Marc Clavin, ably supported by Linda Hyde and our club auditor Danny Tigh.

The Club would not survive if not for the generous support of our sponsors Marc Clavin Pharmacy and Peninsula Surf Centre. I would like to also thank Craig Lang for the donation of the Club Raffle prizes, and also David Stringer and Elizabeth Blane from the Sorrento Smokehouse for their fund raising activities conducted in their restaurant.

We received donations from the Herald and Weekly Times in the form of a portable Patrol shelter. This piece of equipment has proved quite valuable in making our beach safer.

The club would again like to acknowledge those who represented the club in competition. I'm extremely proud in the way they compete and conduct themselves as club representatives.

As the Club moves forward we are in a strong position financial position but short on manpower. I would encourage any member to contact me if they think they can help in any of the committee positions.

Again thank you for all your support over the past 12 months and I look forward to a prosperous future.

Duncan Stirling

President

Sorrento SLSC

# Chief Instructor's Report

Stefan Bagg

Yet again we had another bumper season from a training point of view! We put through over 30 assessment groups made up of; 16 new Senior award squads, 3 new Cadet squads, and 3 Proficiency groups between July 07 and June 08. This was a 30% improvement upon the previous season. Plus we gained 2 new Gold Medallion recipients who are the first, ever direct graduates from one of our original junior squads. There were 4 separate Bronze squads, one from Rosebud Secondary College with 12 candidates, and two concurrent club squads with around 22 candidates made up of our 2<sup>nd</sup> year Cadet graduates, and a new sub-group made up of 5 Dromana Secondary College students who qualified at Pt Leo but signed up with Sorrento to complete their patrol hours next season. Since Chisholm Institute no longer run a full Bronze squad through the club (instead opting to complete a Community Bronze Medallion first), we no longer get as many initial candidates from them. However the real measure of our Active Patrol strength depends on the number of CII in Aquatic Rescue awards that are completed over a season. In this area we have improved with 17 new awards attained by the last patrol including 4 Chisholm Institute graduates who joined up to complete their final training with our club and subsequently showed great dedication to patrolling throughout the season. Again we had several SRC groups complete awards with CPR endorsements; 1 squad of 4 Nipper parents who wanted to become Water Safety Officers (WSO's) and another squad of 7 made up of new Cadets. On top of that we put through 39 Resuscitation awards for the remaining Cadets.

This season we also managed to convert another 9 "Bronzies" into Advanced Resus Certificates (ARC's). Likewise we put through more IRB Crew and/or Driver's awards with 4 separate squads, a 200% increase on last year. The success of this program relies on our growing relationships with other regional and Bayside clubs and working in conjunction with other training squads based at Chelsea, Bon Beach, and Pt Leo mostly occurring in the off-season and winter periods. A few more of our senior members have shown interest in obtaining either a Training Officers Certificate (TOC's) or Assessors Certificate, while one of our newest senior members recently completed their TOC in Bronze Medallion after assisting several junior and senior squads earlier in the year. Once again we managed to do all this while putting through 71 proficiencies, our biggest number to date.

During the previous off-season I represented our club on the 32<sup>nd</sup> Ed Training Manual Review Committee and again this winter as part of the State Taskforce Review of Training & Assessment. Both of these panels convened at State Centre over several sessions each and therefore proved to be very time consuming. However they were both worthwhile in terms of benefiting our club with an opportunity to have direct input at both a state and national level in regards to how training is ultimately conducted at the grass roots level. This involvement helps to inform the future direction of training and development for our members and also to mentor younger members who are moving up into the senior ranks and who will soon be ready to take on more positions of responsibility.

This season also saw the introduction of the Defibrillation award as a result of the previous year's international review of CPR by the Australian Resuscitation Council. The use of Defibrillators is now

seen as a critical step in obtaining successful resuscitation outcomes. This led to an immediate uptake of trainees in our club with 8 new Defib award recipients and 1 new Defib Assessor. This puts us in good stead for the upcoming season and well ahead of many other clubs. The pro-active attitude of many of our junior members spurred on by the core group of seniors has helped to create a culture of enthusiastic learners keen to upgrade their skills and knowledge over the last 2 seasons and this looks like it will be an ongoing trend for next year with many members already looking forward to and making early enquiries regarding training opportunities. However while we are growing rapidly in this area we are still very much hamstrung by the lack of qualified Trainers and Assessors available to assist our members. At present our club relies predominantly on only 3 members to co-ordinate and conduct all the training and assessment done over the last season. This obviously cannot remain sustainable if the growth in training and assessment continues at its current rate. Therefore future development must focus on the successful up-skilling of seasoned active members to undergo the demanding and often arduous process of becoming qualified Trainers and Assessors. Next season heralds an updated Bronze training Manual and a new CII in Aquatic Rescue training logbook, both of which are expected to highlight the growing need for specialist trainers and assessors throughout the state let alone our own club.

The ongoing processing of awards through the mandatory use of "Surfguard" (a national database that can be accessed by club officials via the internet), is still causing many clubs, including ours, severe headaches. But it is becoming more streamlined and it helps to identify individual anomalies very quickly so that they can be remedied if possible while members are still actively involved in the current season. But the use of Surfguard also means that cut-off dates for training registration and/or assessment must be more strictly adhered to and that anyone not recognized by Surfguard as qualified to conduct or perform certain activities or roles can no longer go along doing so. The way the award allocation operates at present, all financially up to date members who have successfully completed an assessment and have been found competent should receive notification acknowledging this from Lifesaving Victoria within 2 weeks of the award being processed. This means that if for some reason an individual doesn't obtain verification then they probably aren't qualified. Likewise if you are not on a Surfguard list when you present for proficiency then you are probably ineligible for that award. Therefore it is up to all individual members to check the status of their awards and to verify that they are current before continuing in any active role and this can now be done relatively quickly by having your Trainer, Club Captain, or Chief Instructor check Surfguard.

Again a Table outlining various training statistics follows which highlights not only our achievements for the past season but compares listed areas with the previous year as well. Again of particular concern are the areas of qualified Trainers while the previous lack of key patrol awards like ARC, Spinal Management, IRB crew and drivers, has been better addressed to some extent. However the continuing lack of qualified ATV operators is of major concern as many clubs have addressed this area and Sorrento needs to be more mindful as this relates very much to good OH&S standards being maintained particularly in the handling and transport of Patrol equipment. In conclusion, this year has seen a well-managed increase in training and achievement of awards that will help set a good basis for the patrolling season ahead, but more needs to be done in terms of supporting the trainers and the training system so that this level of success can be sustained.

Award	New Awards 06-07	New Awards 07-08	Prof's 06-07	Prof's 07-08

# Nipper Coordinator's Report

Howard Draper

Another Nippers Season can be celebrated and we can all take the time to reflect on the three months of nippers – and congratulate ourselves.

I would like to take the opportunity to thank everyone involved. Vicki Stirling for her tireless work with registrations and so much more, Andy Nettlefold with equipment and water safety, Kris McGhee with the Bulletin, social events, etc and Donna Nettlefold for the huge job of Carnivals.

There are so many other people – Age Managers, Water Safety, First Aid, parent helpers, coaches, barbeque, trainers/assessors, the Club Committee, photographers, and no doubt I've left some out. This has truly been a Club/Community activity and everyone should be proud of the outcomes.

The main achievement has been all the nippers' (over 125 of them) enjoyment of the programme and the development of their lifesaving skills. The club would like to see nippers develop into active club members and our Nipper Programme is doing just that. It was great to see our Cadet/SRC's proudly on patrol this season and assisting with the Nipper program. Our beach is clearly safer with our young SRC's and bronzies on patrol.

Another achievement has been the development of the community spirit that nippers has fostered. Friends are made and a lot of fun is had by all.

Also, let's not forget our nippers' achievements at the carnivals. We participated in three carnivals and we had a great turn-out at all three. The main success has been the attendance and the club spirit shown by all. Of course, medals were won at the States – I'm claiming that we won more this year than any other year.

<b>Medal</b>	<b>Member</b>	<b>Event</b>
Gold	Ella Swann	Under 9 Girls Iron Nipper
Gold	Sophie Stringer, Kaitlyn Egan, Felicity Draper, Nova Riordan	Under 13 Girls Beach Relay
Silver	Ella Swann	Under 9 Girls Wade

The season ended with our presentation day. Congratulations to all our Age Group award winners and to **Abby Stirling and Sam Mann on being awarded our Club Nipper Champions for season 2007-2008**

# Senior Competition Report

Hayden Owens

It was a great year for senior competition this year with 3 carnivals attended. Our first carnival of the year was at Mt Martha where we competed against only local clubs. This carnival was a nice way to ease in to the season with some good results at this carnival. Our first premiership carnival was at Pt Leo. This was a state wide carnival so the competition was much fiercer. Once again some good results were obtained here. The next carnival was at South Melbourne in hot conditions. Some really good results especially in the 2k run events.

Our State Championships were held Jan Juc at one week after the nipper championships at Lakes Entrance. Sorrento sent a team of 8 to Jan Juc. The team comprised of: Bryce, Shelly and Bonnie Paterson, Hayden Owens, Tom Baker, Daniel Bradshaw, Bridget Draper and Abby Stirling. Still on a high from the week before magnificent results we were hoping to eclipse the Junior's great results. Unfortunately we were unable to do so but in the process of attempting we had some fantastic results.

Gold	Kristyn Burns	U17 Girls 2km Run
Bronze	Shelley Paterson	Open Girls 2km Run

Sorrento also sent their largest team ever to the Australian Titles, with the following people competing in Perth. Shelly Paterson, Bonnie Paterson, Hayden Owens and Tom Baker. It was the largest team Sorrento has ever sent over to an Australian championship. Everyone learnt from the tough competition. Congratulations to Bonnie Paterson on her bronze medall encourage everyone to get over to Perth in 2009 and give the nationals a shot!

Bronze	Bonnie Paterson	U 17 Girls Stand Up Board
--------	-----------------	---------------------------

Finally, a huge thank you must go to Anne-Marie Paterson who was the Senior competition manager of 2008. She did a great job in organizing boards and competitions for us. Without her we would not have been competing this year. Also, big thanks to all the parents who drove us around the country side to competitions.

# Social Activities

Thanks to Kris McGhee and her helpers for all the work put into the various social events during the last season. Much fun and many laughs was had by all!

- Phillip Island Pre season Camp
- Nippers Disco
- Presentation Night at the Sorrento RSL
- Parent Night at the Smokehouse in Sorrento
- Nipper Helpers Night at the Clubrooms

# Club Financial Statements

Marc Clavin

## Treasurer's Report

Another big year for the Club with Turnover once again near \$100,000 – we've certainly become a "big business".

The Club acknowledges the generous support of Members and Friends of Sorrento SLSC for their wonderful assistance during 2007/2008.

- **Linda Hyde** capably attended to all the Club's banking through the course of the year and gave timely attention to monthly payments to creditors. Given Linda's commitment to other facets of the Club's management her assistance with the day to day financials has been invaluable.
- Toll Holdings has continued its sponsorship of both the Club and also the Bay Swim event through the generosity of our Club Patron; **Mr Paul Little**. This is an extremely important relationship for our Club.
- The Club remains heavily reliant on the Bay Swim as its only major source of fundraising and it was timely that **Jim Sheedy** was recognised this year at the Club's Annual Presentation Night for his efforts. It will be essential in the future that this event is well supported by all Club Members.
- **Mrs Sandy Douglas**, has again assisted with preparation of the quarterly BAS's and provided significant volunteer hours attending to the Club's Accounts.
- Our Auditor; **Mr Danny Tighe**, has reviewed the Club's Financials. Danny is a Sorrento "local" and has been a source of considerable assistance to the Club (and this Treasurer) over many years.

The attached statement of accounts represents a true and accurate report of the financial position of the Sorrento SLSC at 30<sup>th</sup> April 2008.

## **Notes to the Accounts**

1. **Toll Holdings P/L** contributed annual sponsorship paid in advance during the 2006/2007 financial year to be amortised over four years to EOY 2010.
2. **The Profit and Loss** result for the purpose of year to year comparison (amortised per Note 1), would be reduced by 3x \$12,500 in 2006/2007 and increased by 1x \$12,500 for this 2007/2008 and subsequent years.
3. **Turnover** (Total Income adjusted per Note 2) for 2006/2007 was \$93,817.84 compared to 2007/2008 at \$99,883.
4. **The Bay Swim** received a \$7,000 sponsorship (in addition to Note 1) from Toll Holdings. The Bay Swim was again the principle fundraising event for the Club.

A handwritten signature in cursive script, appearing to read 'M Clavin'.

## ACCOUNTANTS & TAX AGENTS

### INDEPENDENT AUDITORS REPORT 12 MONTHS ENDING 30<sup>th</sup> April 2008

#### **To the Members of the Sorrento Surf Life Saving Club Incorporated.**

We have audited the accompanying Financial Statement of the Sorrento Surf Life Saving Club Incorporated, for the 12 months ended 30 April 2008, in accordance with the Australian Auditing Standards.

#### **In our opinion,**

- (1) Subject to our comments in Paragraph (2) and (3) regarding the accounting procedures, the accompanying financial statements present a true and fair view of the state of affairs of the Association as at 30 April 2008, and the results for the 12 months ended on that date.
- (2) The accounting and other records of the Club have been properly maintained and the accounting procedures are adequate. As is common for organisations of this type, it is not practical for Sorrento Surf Lifesaving Association Incorporated to maintain an effective system of internal control over registration fees until their initial entry in the accounting records. Accordingly, our audit was limited to amounts recorded.
- (3) We have not reconciled the Business Activity Statements lodged with the GST in the accounts.
- (4) The Assets of the Club have been shown at cost and depreciation has been allowed for.
