
First Aid Course 2019

Our club will be conducting First Aid courses with a trainer from Life Saving Victoria at the clubhouse on **Sunday 27th October, 9.00am to 3.30 pm**. These courses are open to all members aged 15 and above, particularly Nipper parents, and cover general first aid, not only that applicable to patrol members.

The courses are:

Provide First Aid Blended (Course ID 1022691) – for those who have never done a First Aid Course before.

Provide First Aid Update Blended (Course ID 1022693) – for those who did the Provide First Aid in 2016 (it expires after three years).

Provide Cardiopulmonary Resuscitation Update (Course ID 1028192) – for those who have done Provide First Aid in 2017 or 2018. This component of the full course needs to be updated annually. It will be run concurrently with the above two courses from 9.00 and to 11.00 am.

“Blended” means on line and face-to-face components. For all three courses, candidates will need to complete online study prior to attending the training day. A link to course to content will be provided upon payment via Try Booking. The full cost of each course is as follows:

Provide First Aid: \$150.00

Provide First Aid Update: \$110.00

Provide Cardiopulmonary Resuscitation Update: \$55.00.

Our club will pay half the cost for club members attending any of the three courses.

To enrol in the Course:

1. Go to <https://www.trybooking.com/BGAZO>,
2. make the Course payment, then
3. you will receive a link to booking page

Enquiries: Ro Moore - 0412 456 177.
