

Sorrento SLSC Nippers Newsletter

5 DECEMBER 2018

Melbourne is definitely not disappointing us with its changing weather. We enjoyed all four seasons in one day on Sunday. The younger age groups got in some early sunshine but by half-way through the older age group session, we were hit by a sudden squall and the heavens opened up, bringing their session to an abrupt halt.

Luckily the weather is looking a lot nicer for Nippers this Sunday, with light winds predicted and a top of 25 degrees. It is our final week at St Paul's front beach so we will get in as much water time as possible. The number of children we can have in the

water is totally dependent on the number of water safety volunteers on the day. There is another bronze course starting on Sunday 6th January 2019 and we would love to see more of the younger age group parents signing up. You can sign up via the link in next week's newsletter.

This week's shout out goes to Kane Featherston and his son Ollie. After loading the trailer with boards and Nipper equipment on Saturday, they were the first to arrive on Sunday, unpack and then head back to the clubhouse again at the end of the Nipper session. Thank you so much for your support.

We had a fun night on Saturday night at our first social night for the season. Roast N' Roll were a big hit with their sliders & yummy chips and it was the perfect temperature to be both inside and outside the clubhouse for a catch-up with friends. It was great to meet some of our new families who made the effort to come along after a long, hot day at the beach.

Our next social night is on Friday 11th January so pop it in your calander now!
