

Sorrento SLSC Nippers Newsletter

29 NOVEMBER 2018

It was another great day for Nippers last Sunday with lots of water activity and the introduction of boards. The nippers all looked like they were having fun and starting to settle into the swing of it, while spending time with some new and old friends.

A Nippers Newsletter will be posted on the Sorrento Surf Life Saving Club's Nippers page every Thursday. Please check the website frequently for any updates / relevant information and take note of any texts sent in relation to Nippers. This is the most effective means of communication as everyone can access the website regardless of how tech savvy they are!

Thank you to those of you who followed up after last week's newsletter to volunteer for first aid and help out with towing the trailer. We really appreciate your help. We are now sorted for the trailer but do require more first aid volunteers. By putting your hand up, you won't have to do every weekend. The idea is to have as many volunteers as possible so we can share it around. We especially need some helpers for the second shift from 10am – 12pm. PLEASE contact 0419 110 731 even if you're only free for one or two sessions.

On the topic of volunteers, we would like to extend a huge thank you to Bev and Norm who signed up to run the BBQ for the whole season! Not only are they giving up their Sunday mornings to help us, they have even had aprons made with their names on the front! Now that's dedication!

Some of you still haven't ordered uniforms for your Nippers. Please ensure that you do so by this weekend as it may take up to two weeks for the items to arrive. Click [here](#) to access the uniform shop. There are two 'start of season' packs that have just been added to the online shop.

Sorrento SLSC Nippers Newsletter

The first one includes a Sorrento T-shirt, hoodie and cap and the second one includes a Sorrento T-shirt, cap and track pants. These are optional items but popular with the Nippers. The compulsory items are: Nippers cap, pink rash vest and wide brim hat.

Don't forget the bronze / SRC requalification is on this Saturday (1st December) at the Sorrento SLSC Clubhouse. The clubhouse is open from 9.00am for questions and kickoff is 10.00am. Click [here](#) to access the online theory test via Life Saving Victoria. You will require your username and password to access your online membership.

Once logged in, you can click on 'View and manage courses/skills maintenance' and follow the prompts. You can book your practical for Saturday once you have done your assessment.

Nippers will be at St Paul's front beach again this week and the Nipper groups will continue at the new time slots:

9.00am – 11.00am: U8, U9, U10 & U14

10.00am – 12.00pm: U11, U12 & U13

Please look for your age group flag and arrive 15 minutes early so your Age Manager can kick off on time. The flag colours are as follows:

U8: Green

U9: Red

U10: Pink

U11: Blue

U12: Yellow

U13: Orange

Last but definitely not least, we have a Nippers social night on Saturday night (1st December) with sliders and chips (vegetarian option available). It kicks off at 6.30pm and is \$10 per person or \$30 per family plus drinks at bar prices. Please RSVP to Jack via text 0431 818 620.

See you at the beach, Chrissy & Jack
