21 JANUARY 2019

It was great to see all our Nippers back at the beach again on Sunday. The weather wasn't perfect but the water was warm and the Nippers all looked like they were having fun!

With only three weeks until the end of the Nipper season, it's great to see how confident our young Nippers are becoming.

There is no Nippers on Sunday 3<sup>rd</sup> February due to a Nipper Carnival at Mordialloc. There is one last Nipper session after this on Sunday 10<sup>th</sup> February before the Family Fun Day and 20<sup>th</sup> Anniversary celebration on Sunday 17<sup>th</sup> February.

The Family Fun Day will be a really enjoyable and interactive day so make sure you and your Nippers come along. We will be drawing the winners of our fabulous raffle, presenting the Nippers with awards and there will be many other fun activities for both young and old.

This week's shout out goes to our newly qualified SRC members. A huge congratulations to all of you! We're really lucky to have you as part of our Nipper water safety team going forward. It shows determination and dedication to complete the Surf Rescue Certificate and commit to volunteering for both the Nipper Program and Patrolling.

Our next Sorrento SLSC social night is on Saturday 16<sup>th</sup> February from 6.00pm onwards. The cost is \$30 for a family of 4 or \$10 per person and due to popular demand, we are having a pizza night. Drinks will be available at bar prices. Please RSVP numbers and dietary requirements to Jack on 0431 818 620 for catering purposes.

We would really love to see some of our new nipper families at this social night as we are only a small club and want to create a community and inclusive experience for our Nippers and their families.

Just a reminder that we have our Intraclub carnival this Sunday (27<sup>th</sup> January) at Sorrento Back Beach. This fun competition day kicks off for ALL age groups at 9am so please arrive at 8.45am so we can start on time.

This small and intimate carnival is a great introduction to competition for the Nippers. It's in a familiar environment and the idea is to familiarise the Nippers with the events that take place at carnivals while providing some friendly competition.

See you at the beach, Chrissy & Jack
