Re.: First Aid & CPR Courses 2020/21

Due to limitations as a result of COVID-19, Sorrento SLSC will not be offering the annual face-to-face **CPR (001)** or **First Aid (003)** this 2020/21 season

Our usual LSV Commercial provider is however, offering distance-modules that will be a suitable replacement. These modules can be completed on-line at home. Packages are mailed out directly to candidates with all the required practical components.

Candidates will need to book and pay for themselves and “Members” who require a subsidy can apply for a 50% reimbursement from Sorrento SLSC upon “successful” completion of the Course to treasurer@sorrentoslsc.com

- Book your Course: <https://training.lsv.com.au/> - “Select a Training Course” menu
- **Provide First Aid @ Home** – valid for three years (if the Cardiopulmonary Resuscitation Course is completed annually): \$150.00
- **Provide Cardiopulmonary Resuscitation @ Home:** \$60.00
- Enquiries: Ro Moore – 0412 456 177

Additionally, LSV is midway through a 40-Courses in 4-weeks Program which is free and available to all members – details at www.sorrentoslsc.com/training
